COMPLYING WITH THE LAW

Our CA state law requires that children between the ages of 6-18 must be enrolled in school. California does not have a specific homeschool law; California is one of the 12 states in which homeschools operate as *private in-home schools (or under supervision of a public school)*. Grace and Glory Academy students are filed on our Grace and Glory Academy private school affidavit and daily attendance is required.

HOME SCHOOL LEGAL DEFENSE ASSOCIATION [H.S.L.D.A.]

Home School Legal Defense Association (HSLDA) is an association of attorneys who defend the home schooling rights of members nationwide. One of the most comforting areas of support any homeschool family can have, is the assurance of knowing you have a team ready to defend you in any/all legal matters that may arise at any time.

We require all families to be HSLDA members and we offer a group discount code!

CHRISTIAN HOME EDUCATIONS ASSOCIATION [C.H.E.A]

Since 1982, CHEA has been California's primary advocate for private home schoolers, offering educational training, webinars and events which connect families with vendors, authors and organizations. Grace and Glory Academy is partnered with CHEA of California as a Private School Support Network Member, and the Roekle's serve as Regional Board Members on the leadership team. CHEA has a blog, online store of resources and much more. Visit their website at

CURRICULUM

Parents are responsible for securing curriculum for their student(s). Academic counseling and guidance is available for an additional fee if needed.

All curriculum selections must be approved by an admin before usage. As a California private school, students must be taught in the required branches of study, as noted in the state of California educational code.

DAYS REQUIRED

Grace and Glory Academy set a minimum number of 165-175 educational days which must be met, in order to complete one grade level at our Academy. We do not count hours. *Any family, who notes less than 165 days on their annual attendance sheet, must provide a detailed letter stating the extreme circumstances for excessive absences.*

(ie: hospitalization, prolonged illness or injury) Families who fall short without reason, may be not allowed to complete a grade level and may be reported to the district for truancy.

OPERATING YOUR HOME SCHOOL

Our state law requires we keep a record of daily attendance for every student enrolled in our private school. Though your student should never really be absent (*aside from illness*), you do need to keep an accurate, up to date record of your home educational days. As of the 2022-23 school year, all attendance reporting will be done through Ed Port online. We will not accept paper attendance records.

Please note: we do not have a minimum number of minutes per day required to determine a "school day." The amount of time spent on homeschooling will vary by grade level and by family.

GRADING + COURSE OF STUDY

Our Academy requires an annual report card submitted for all students, through Ed Port online. We have approved grading scale for parent-teachers to follow. The academic and the behavioral sections must be completed on the report card.

Our Academy requires an annual Course Of Study to be submitted for each student(s) online; all grades K-12. If at any time during your academic year, you decide to change or remove curriculum, classes, videos, books or courses out of your student's educational plan, you must log in to the online portal and update your student's status.

TESTING AND ASSESSMENTS

It is important in your day-to-day schooling to evaluate your students understanding and progress. Testing can be verbal, written, project-based or multi-media. Standardized testing is required at Grace and Glory in 8th and 12th grades. We offer multiple testing options for you to choose from. Annual checklist assessments for each grade level K-Highschool are required at Grace and Glory Academy. These provide both the parent and our Academy, an overview of the student's academic status.

IEP (Special Needs/Individualized Education Plans)

Grace and Glory may accept new IEP students on a case-by-case basis. We do not offer any government/state special services because we are a private school. If your student is coming from a traditional campus school with an IEP, our Grace and Glory Principal has the authority to update/remove the IEP – based on proof of evaluations, assessments and meeting with student's parents.

Students who are operating at two grade levels behind or more, must automatically have an IEP on file to continue schooling under Grace and Glory Academy. IEP Students must have an annual Grace and Glory Goal Sheet submitted with their checklist assessment, attendance and report card. Annual IEP meetings are a conducted privately for an additional, required fee.

STUDENT FILES

Upon your signed approval, Grace and Glory will request the permanent, cumulative file(s) from your student's former school. All files are kept locked and viewed only by our school leaders. Files will not be shared with others without your permission. Files contain school ID pictures, report cards, attendance records, logs, notes, waivers, awards etc. If your student is beginning Kindergarten, we will create a new cumulative file for your student. If you have been with Grace and

Glory and apply for a new school, that school has the right to request screening information from us, about your students' academic performance, behavior, and your family financial commitment.

FAMILY FELLOWSHIP/FIELD TRIPS/ACTIVITIES

Academy activities such as field trips and parks days are coordinated/planned by volunteers, multiple times each semester. We may or may not have someone from our administration or school board, attending the activities. Field Trips may be free or cost a fee. Our school also offers unique seasonal events planned by our administration. Please refer to our school calendar for details. Participation is always optional.

RECOGNITION/PROMOTION

Since every student is studying different types and levels of curriculum at home with their parent, Grace and Glory Academy does not offer Academic Awards/Certificates. Each year, we do strive to offer a Promotion Day – a special time to recognize our student's hard work as they have completed one grade level. We offer the option for your student(s) to receive a Fruit of the Spirit/Character Quality Award. We offer recognition for Kindergarten Graduation, Sixth and Eighth Grade Promotion. We do not hold an official graduation ceremony for Seniors. (our Seniors are given multiple choices for ceremony options)

FINANCIAL COMMITMENT

Grace and Glory Academy is a recognized 501c3 non-profit organization in the state of California. Our school pays annual federal and state filing fees, CPA, Accounting and Legal fees– as well as web and email maintenance fees, insurance and office fees, thus, we have set our enrollment pricing accordingly to cover these ever-rising costs.

Families must affirm a financial commitment to Grace and Glory Academy. Fees are non-refundable after being submitted. If your student is enrolled anywhere from 1 to 175 days in our Academy, your tuition must be paid. We do not prorate fees.

FAILURE TO KEEP YOUR COMMITMENTS

If your family fails to keep your financial commitment or fails to submit required record keeping information, you can expect the following action: First, a penalty fee of \$40 for the first late submission will be applied. Then, a \$50 penalty will be collected for the second instance. IF there is a third instance where a penalty is needed, that is grounds for dismissal.
