WELCOME, WE'RE GLAD YOU'RE HERE!

# Meet the Roekles

In the summer of 2024, we'll begin our 17th year of homeschooling as a family. Our journey began very traditionally in a "classroom at home" model with formal textbooks, until we discovered a whole new world of living books, nature exploration, and all things Charlotte Mason. We were transformed by CM methods and now you'll find us writing in journals around a campfire or snuggled up reading on the couch.

From Yosemite to Yellowstone, Cactus Gardens to Caverns, Beaches to Mountains...we are a homeschooling family who frequently travels on long distance excursions in our big RV (pictured right).

We love visiting new people and places, yet we want to stay connected with friends and family back home and those we meet along the way. Over the years we have enjoyed participating in-person and online at book clubs, with people all over the US! We want to expand upon the book club culture by hosting [virtual clubs](#) through Grace and Glory in the 2024-25 year.

We believe,  
Book Clubs help us draw close to others,  
no matter where life takes us.

Book Clubs encourage a love and joy of literature.

Book Clubs also provide a fun and casual outlet to share one's thoughts, feelings, and life experiences!

We invite you to join us on our book club adventures as we school by God's grace, for God's glory.

## 2024 MOM'S PICK

# The Life Giving Home

### For the married moms...

Whether your current home is an apartment, cottage, farm house, mobile home, or camper van....we are spending 2024 learning how to make our place of dwelling a life giving home of love and grace!

### Monthly Chapters for busy women...

Our monthly virtual book club chats last about 90 minutes, on select Thursday evenings throughout the year. Some moms may be joining us from their mobile device in the car or from their kitchen sink, wearing headphones. Most of us are homeschooling mothers, but it is not a requirement to join. Authors Sally & Sarah Clarkson share practical, life-applicable tips for creating a place of belonging and thriving connections with friends and family.

Newcomers are welcome to jump in at any time. We have moms joining us from all over the USA and Africa! Our goal is Encouragement, Prayer and Authentic Conversations. This club is led by Michaela Roekle. There is no cost to join. We utilize Microsoft Teams platform!

## 2024 DAD'S PICKS

# Screen Kids

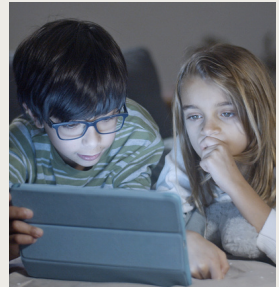

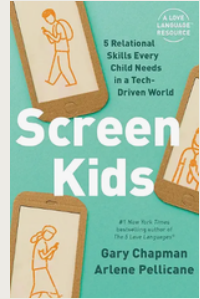

**Coming August 2024**

For the first time ever, we are launching a Dad's book club for men to read, share, and connect virtually! Whether you are a Dad of a toddler, preschooler, school age child, tween, teen, or young adult, you can join us as we discuss how today's technological world is impacting the future generation.

### Monthly Chapters for busy guys...

Monthly virtual book club chats will last 60-90 minutes, on a Thursday evening. Dads can join us from their mobile device on the go or from home. It is not a requirement to be a homeschooling Dad to join. Authors Gary Chapman (of *The 5 Love Languages*) and Arlene Pellicane (of *Moody Publishers*) share tips for safeguarding your home, nurturing your child's brain, and setting them up for success as healthy individuals.

Sign up to join by emailing [info@graceandgloryacademy.org](mailto:info@graceandgloryacademy.org). Our goal is Encouragement, Prayer and Authentic Conversations. This club will be led by Brad Roekle. Each Dad will need his own copy of the book or kindle. There is no cost to join. We will utilize Microsoft Teams platform.

## 2024 STUDENT'S PICK

## NARNIA

**Coming August 2024**

Enter into the world of fantasy adventure via classic literature from British author C.S.Lewis! In *The Lion, the Witch, and the Wardrobe* - young Lucy goes through the back of a vintage wardrobe into Narnia, an imaginary land ruled by a White Witch who has made it permanently winter. When Lucy returns to Narnia with her three siblings, they help the great lion Aslan (the form in which the Son of God appears) defeat the White Witch and free Narnia from evil!

This virtual club for students will meet \*weekly\* throughout 13 weeks of the fall semester on Monday afternoons. Book Club chats will be approx 30-35 minutes and include conversation activities. A reading schedule will be released by August.

**This club is for students who are able to read or listen to chapter books on their own. There are many wonderful Audiobook versions and dramatized theater albums that may appeal to busy students. If there is enough interest, we will break into an older and younger group separately. Feel free to invite homeschool friends!**

*The Cost is \$20.00 per student to participate, as a fundraiser for Grace and Glory.  
Email [info@graceandgloryacademy.org](mailto:info@graceandgloryacademy.org).  
This club will be led by Michaela Roekle.*

**A children's  
story only  
enjoyed by  
children, is not  
a very good  
story.-CS Lewis**
